# Keep it Clean ...

## *with confidence.*

Keeping your locations clean isn't just desirable – it's crucial. That's why leading retailers and other *Fortune 500* companies coast to coast turn to us, Tri-Dim Filter Corporation, the indoor environmental specialist.

### **Founded on innovation, built on service.**

Over 35 years ago, our company began with a spark. A brilliant innovation in filter technology that dramatically increased filter performance, delivering superior filtration, reducing operating expenses, and of course – providing cleaner air.

Today, Tri-Dim and its Indoor Environmental Technology (IET) division continue that tradition of innovation. Providing you with the full range of service that you will need to ensure a clean, high quality work environment – efficiently, cost effectively and with the professionalism you expect from an industry leader.

### **Clean that does more than remove problems – it adds value.**

Tri-Dim service is about more than cleaner air. It's about creating optimal work conditions. Helping to maintain the highest quality of products and services, and delivering the total benefit of a cleaner work environment.

- ▲ A pioneer in air filtration and indoor environmental quality for over 35 years
- ▲ Proven track record of service – staff averages over 15 years of experience
- ▲ Turnkey Indoor Air Quality (IAQ) programs
- ▲ Nationwide Coverage
- ▲ Staff certified and trained by leading organizations in the industry

Tri-Dim Filter Corporation is committed to continual product development – all descriptions, specifications and performance data are subject to change without notice.

Tri-Dim® and Tri-Dek® are Registered Trademarks of Tri-Dim Filter Corporation.
